VEGETABLE GUIDE - BOX SET - TWO BOOKS - Read For Free on Kindle Unlimited

Are you prepared to feed your family when food may not be readily available at your local Walmart... or any other supermarket for that matter? What if you HAD to grow your own food? The Vegetable Gardening Guide, will show you ways to grow a garden in a tight space - whether you only have a small area of your yard, or a kitchen windowsill. You'll learn about more than vegetable gardening within these pages.

This is a beginner series to help you learn how to survive in lean times, and how to have confidence and self-reliance to make it through. Raising Vegetables and other food products, may not be as difficult as you think.

You'll find many tips inside these pages, including how to compost.

If you've always thought about getting started with your own garden, or just wonder WHY eating organically can significantly improve your overall health, as well as the health of our planet, buy this book today!
